

ATTN: ALL COACHES & PARENTS

FROM: CAMDEN COUNTY YOUTH FOOTBALL LEAGUE BOARD

Camdenton High School has been blessed with a beautiful, turf football field. I can't begin to explain how much it means to the high school football players to have such a premier facility to play football. Our "Jaws of Death" stadium has always been at the top of list of best high school stadiums in the state of Missouri. Our flag football program has succeeded over the past 10 years because we have had the full support of the school district in using the facilities. We grew to over 300 children in our league last year.

We have been given the privilege to use this premier facility for our flag football and tackle football programs. As a board, we feel we must educate our parents and players on how to treat this facility. The following rules must be followed and will be enforced by our board members.

- **NO FOOD OR DRINK WILL BE ALLOWED IN THE TRACK & FIELD AREA, EXCEPT FOR BOTTLED WATER FOR THE PLAYERS. ANY TEAM SNACKS OR DRINKS AFTER THE GAME MUST BE DONE OUTSIDE THE TRACK & FIELD GATES. IF YOU BRING FOOD OR DRINKS, KEEP THEM IN THE BLEACHERS OUTSIDE THE TRACK AREA (BAND BLEACHERS ARE OFF LIMITS FOR FOOD & DRINKS)**
- **ABSOLUTELY NO GUM OR SUNFLOWER SEEDS WILL BE ALLOWED IN THE TRACK & FIELD AREA. THESE 2 ITEMS ARE DETRIMENTAL TO THE LONGEVITY OF THE FIELD.**
- **NO CHAIRS, STROLLERS, ETC. WILL BE ALLOWED ON THE PLAYING FIELD. THESE MUST BE KEPT ON THE TRACK.**
- **ABSOLUTELY NO SMOKING ON SCHOOL PROPERTY. THIS INCLUDES THE ENTIRE FOOTBALL STADIUM.**

Please do your part in respecting the school property, so we can continue to use the fields for many years to come.
